

ATHLETIC ELITE LAWN SEED MIXTURE

Athletic Elite Lawn Seed Mixture: Our Athletic Elite Lawn Seed Mixture is specifically formulated to withstand high-traffic and rigorous use, making it ideal for sports fields, playgrounds, and other heavily-used areas. The blend incorporates 60% Kentucky Bluegrass varieties for their exceptional wear tolerance and recovery which thrive in various soils and climates. This mixture is also known for its disease resistance and fine texture. These Bluegrass varieties collectively contribute to a resilient, and attractive turf. Additionally, 40% Turf-Type Perennial Ryegrass is included for its rapid establishment and ability to endure compacted soil conditions. Together, these components form a quick-establishing lawn capable of maintaining a strong appearance despite heavy usage.

Mixture:

60% Kentucky Bluegrass Blend

40% Turf-Type Perennial Ryegrass

Athletic Elite Lawn Seed Mixture

Recommended Use/Seeding Rate

New Lawns:

- Rake area 2-3 inches deep to loosen soil
- Apply seed at approximately **4-5 lbs per 1,000 square feet**
- Lightly rake the seed into the soil so it is slightly covered
- Lightly water the seed 3-4 times per day for approximately 3-4 weeks

Seeding Existing Lawns:

- Mow the existing grass area at least 1 ½ inches high and remove the grass cuttings
- Apply seed at approximately **2-3 lbs per 1,000 square feet**
- Rake the planted surface so the seed will filter through the turf and make soil contact
- Lightly water 3-4 times per day until the grass is established
