

Beasty Feast Wildlife Mixture

Beasty Feast Wildlife Mixture: Our Beasty Feast Mixture is a great seed blend designed to nourish wildlife. This formulated combination offers a range of flavors and nutrients, ensuring a thriving and diverse habitat for many wildlife species. With 20% Dwarf Essex Rapeseed, 15% Forage Collards, and 15% Trophy Rapeseed, this mixture delivers a powerful protein punch, promoting optimal growth in wildlife populations. The inclusion of Bayou Kale, Turnips, Daikon Radish, and Sugar Beets adds a variety of textures and tastes, creating product for wildlife to enjoy. Beasty Feast Mixture also contributes to soil improvement through the deep-rooting characteristics of radishes and the nutrient-rich benefits of sugar beets. Whether you're a wildlife enthusiast or a hunting aficionado, this blend provides a thriving ecosystem that will keep wildlife coming back for more.
