

DOWN THE MIDDLE TURF SEED MIXTURE

Golf Mixture

Down The Middle Turf Seed Mixture:

Introducing our Fairway Turf Seed Mixture, designed to elevate golf course fairways to a new level of excellence. This carefully crafted blend combines 60% Premium Kentucky Bluegrass Blend, 20% Premium Creeping Red Fescue, and 20% Premium Turf-Type Perennial Ryegrass to provide a fairway solution that exceeds expectations. Golf course superintendents can count on this mixture to create fairways with impeccable turf quality, lush green aesthetics, and exceptional playability. The Premium Kentucky Bluegrass Blend forms the backbone of this mixture, offering fine texture and excellent wear tolerance. Premium Creeping Red Fescue adds resilience and adaptability, ensuring a uniform surface even under various conditions. Meanwhile, Premium Turf-Type Perennial Ryegrass contributes rapid establishment and quick recovery, making it perfect for high-traffic fairways.

Mixture:

Premium Kentucky Bluegrass

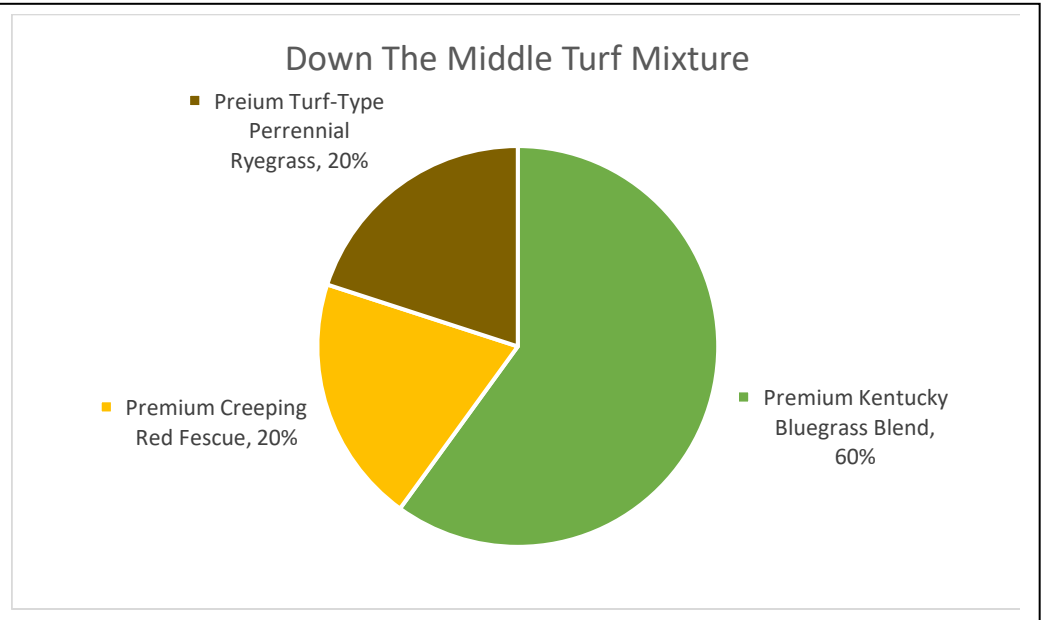

Blend: 60%

Premium Creeping Red Fescue:

20%

Premium Turf-Type Perennial

Ryegrass: 20%

Recommended Use/Seeding Rate

New Lawns:

- Rake area 2-3 inches deep to loosen soil
- Apply seed at approximately **4-5 lbs per 1,000 square feet**
- Lightly rake the seed into the soil so it is slightly covered
- Lightly water the seed 3-4 times per day for approximately 3-4 weeks

Seeding Existing Lawns:

- Mow the existing grass area at least 1 ½ inches high and remove the grass cuttings
- Apply seed at approximately **2-3 lbs per 1,000 square feet**
- Rake the planted surface so the seed will filter through the turf and make soil contact
- Lightly water 3-4 times per day until the grass is established
