

Hayland Pasture Mixture

Hayland Pasture Mixture: Introducing our Hayland Pasture Mixture, the ultimate forage solution for livestock enthusiasts. This carefully formulated seed blend combines 50% Timothy, known for its grazing tolerance and resilient growth, with 40% Alfalfa, a nutrient-rich seed used for its high protein content and forage quality. With an additional 8% Red Clover, known for its palatability and soil-enhancing properties, and 2% Alsike Clover, which offers nitrogen fixation benefits, this mixture offers a diverse and well-rounded forage base. Hayland Pasture Mixture provides a balanced nutritional profile, promoting optimal livestock health and productivity while ensuring sustainable pasture management. Elevate your grazing experience with our premium seed blend, designed to maximize the benefits of grazing for your livestock and enrich your pasture.
