

High Racks Brand Wildlife Mixture

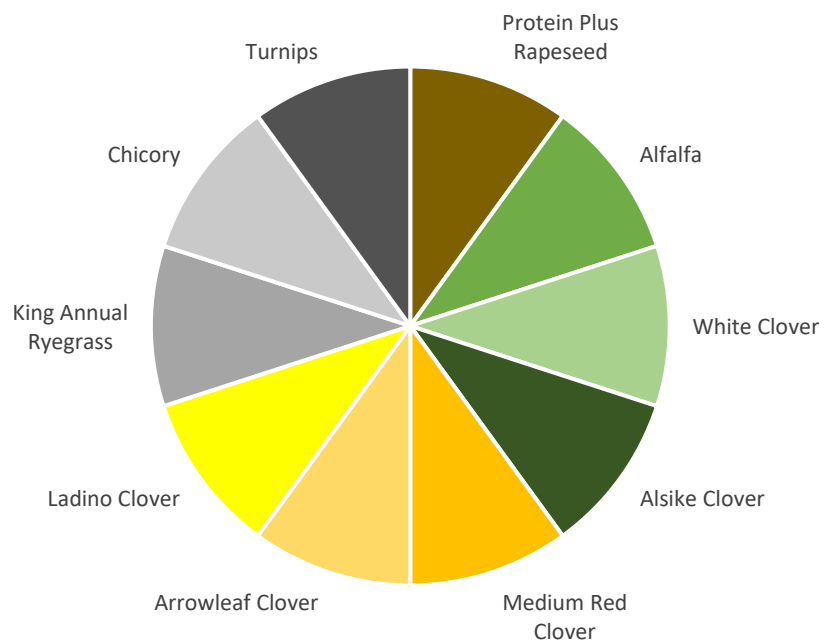

High Racks Brand Wildlife Mixture: A seed blend designed exclusively for wildlife enthusiasts. This curated combination has an array of highly beneficial components, carefully selected to provide a diverse habitat for wildlife. The inclusion of Protein Plus Rapeseed, Alfalfa, and a variety of clovers offers an exceptional source of high-quality protein and essential nutrients, ensuring the sustained well-being of the wildlife population. With the addition of King Annual Ryegrass, this mixture provides lush vegetation, for both the aesthetic appeal and nutritional value of the habitat. Chicory and Turnips add a touch of diversity, providing a strong food source, while Arrowleaf Clover and Medium Red Clover contribute to soil enrichment and foster a healthy ecosystem. High Racks Brand Wildlife Mixture is a great choice for wildlife enthusiasts, promising to attract and nourish a wide range of species while promoting a thriving, harmonious environment.
