

Lowland Pasture Mixture

Lowland Pasture Mixture: Introducing our Lowland Pasture Mixture, the ideal seed blend for lush grazing pastures. This carefully crafted mixture combines 40% Timothy, known for its excellent growth in lowland areas, with 40% Red Clover, a highly palatable seed adding nutritional value to the forage. 18% Alsike provides exceptional persistence and contributes to soil health with its nitrogen-fixing abilities, while the inclusion of 2% Ladino adds an extra touch of resilience and adaptability. The Lowland Pasture Mixture has a combination of forage quality, ensuring optimal conditions for your livestock, and long-term pasture sustainability. Elevate your grazing experience and cultivate thriving lowland pastures with our premium seed blend, designed to meet the unique demands of your land.
