

Oktoberfest Mixture

Oktoberfest Mixture: Introducing our Oktoberfest Mixture, a premium wildlife seed blend designed to attract and nourish deer, making it an ideal choice for wildlife enthusiasts and hunters alike. This carefully curated blend includes a variety of high-quality components to ensure deer thrive in your hunting area. With 20% Dwarf Essex Rapeseed and 15% Trophy Rapeseed, this mixture offers a valuable source of nutrition for deer throughout the year. The 10% inclusion of Berseem Clover provides additional forage options and enhances the soil's nitrogen content, supporting overall plant growth. The Kale/Rape Hybrid, Daikon Radish, Purple Top Turnip, and Purple Top Rutabaga make up 55% of the mix, offering a diverse array of attractive, nutrient-rich forage options for deer. Customers can expect improved deer habitat, increased deer activity, and enhanced hunting opportunities in their area. Our Oktoberfest Mixture is designed to not only attract deer but also promote their health and well-being, making it a fantastic choice for those looking to manage and enjoy their property.
