

Upland Pasture Mixture

Upland Pasture Mixture:

The Upland Pasture Mixture is an exceptional product offered by our seed company, carefully crafted to deliver outstanding results for your pasture needs. With a composition of 67% Alfalfa, 20% Red Clover, 10% Timothy, and 3% Alsike Clover, this mixture offers a well-balanced blend of forage varieties. Customers can expect lush, nutrient-rich pastures that provide a consistent and high-quality food source for their livestock. Alfalfa, with its high protein content, ensures robust growth and improved animal health. Red Clover adds nitrogen to the soil, enhancing overall soil fertility. Timothy offers excellent forage quality and palatability, making it a preferred choice for many grazing animals. Finally, Alsike Clover contributes to diversity and resilience in the pasture.
